I contacted Maddy and said we're interested and I'd be finalizing some direction with you all on Monday evening.

Hey Dave,
How are you, it's been a while since we have touched base!

The attached language was brought to my attention today and I thought I would reach out to see who was running point on it. My boss is interested in moving forward with it but I have some questions.

Always a pleasure,

Maddy Cooper | Legislative Director
Assemblyman Matthew Harper (CA-74)
